

Do you have children?

We have **Sunday School** classes starting at 9:30 for all ages.

We have a **nursery** during our worship service. The nursery is right outside the sanctuary's center doors.

Nursing moms, we have classroom #2, just outside of the sanctuary on the left in the hallway, set up for you to nurse a child if needed. Service is available on the TV in the room

Parents with children who need to go out of the sanctuary for any reason, classroom #1 in the main hallway and #5 in the social hall have TV's in them that stream the service. Instructions are on the TV's to turn on the service.

We also have a **Jr. Church** that is dismissed during our worship service to the classroom area in the back of our facility where multiple volunteer staff lead that ministry.

We also want you to know that we have a **Safety Team** that walks the halls and the building during our service for the safety of all of our students and adults.

We hope you have a great experience today as well as a meaningful time with God. If you have any questions or concerns please feel free to talk to one of the deacons or the Pastor. Please come back and see us again!
